## Frequently Asked Questions

### How The Teen Course Works:

Zoom classes will be hosted with a Certified Drivers Ed Instructor.

The class will run Monday - Thursday for 3 weeks and have an online final.

**Classroom:** Zoom information will be sent out on the weekend prior and first day of class to secured students.

Students must be present for the first 3 days to be eligible to take the permit test. Students are allowed 5 absences, but must complete make up assignments for all missed lessons. A student who misses more than 5 lessons will be transferred to the next class.

### DPS Appointment:

**Requires:** Passing the Permit Test and picking up your certificate from your registered office. DPS offers appointments and limited walk-in options. We recommend students begin looking for an appointment after completing their class registration and schedule it no sooner than the second week of class.

### Driving:

**Requires:** Learner Permit present for every lesson

Includes 7 hours of driving & 7 hours of observation. Students will book their appointments through their driving school account. Students can book 2 appointments at a time.

**Cancellations & Rescheduling Policy:** Appointments cancelled within 24-hours or if a student is absent, their account will incur a \$35 Fee. Cancellations are completed through the driving school account.

**30 Hour Log:** Students must complete 30 hours of practice with a licenced adult in addition to the 14 hours completed with the school. This log is available for download on our Rules & Resources page.

### Road Test:

Students can include the DPS Road Test to their package when registering or add it at a later date. All students must hold the learner permit for 6 months, complete drivers ed & be at least 16 years old to be eligible to take the DPS Road Test for their driver license. A+ Academy Driving School is not authorized to issue a driver license.

### Contract Length:

Students will have one year from their first day of class to complete their classroom and driving hours. If a student does not finish within their contract timeline, they may extend their contract. Extension Fees will apply. Students who do not complete their teen drivers ed program will not be able to get a Texas Driver Licence.

### Age Requirements:

Teens can start as early as 14, but must be 15 to get a learner permit. We recommend starting no sooner than a month before the teen's 15th birthday. Teens must be at least 16 to take a road test.

At 18, all learner permits and licences expire. If a teen turns 18 prior to completing their remaining driving hours & road test, the learner permit must be renewed at the DPS office. Students cannot continue the program on an expired learner permit.

### Tuition:

A down payment of \$250 will reserve your student's spot in class. Secured students will receive Zoom information on the weekend prior and Monday of class. Final tuition payments are due on the last day of class. Late fees apply.
